
Shubham Kumar Sahu

Cyber Security Consultant | Ph.D. – IIT Bhilai (Pursuing) | M.Tech | CEH | B.E. |

📍 Durg, Chhattisgarh | 📞 +91-7828888879 | ✉ shubham@goodhacker.in | 🌐 www.goodhacker.in

Professional Summary

Cyber Security Consultant and Ph.D. researcher with 5+ years of experience spanning technical implementation, compliance, and international client engagement. Skilled in penetration testing, vulnerability assessment, and DevSecOps integration, with hands-on expertise in tools such as Kali Linux, Nessus, Nmap, Burp Suite, Checkmarx, OWASP ZAP, HCL AppScan, BlackDuck, Acunetix, Nikto, and Sumo Logic. Proven ability to design and implement security strategies, reduce vulnerabilities, and streamline incident response. Experienced in Governance, Risk, and Compliance (GRC), including SOC 1, SOC 2, ISO 27001, and HIPAA frameworks. Adept at supporting business development through RFP filings and client acquisition worldwide, combining technical depth with strategic consulting to deliver secure, compliant, and scalable solutions. Certified Ethical Hacker (Master) with multiple international research publications and a strong academic foundation in cyber security.

Core Skills

- **Security Testing:** Penetration Testing, VAPT, Vulnerability Assessment, Threat Modeling
 - **Techniques & Tools:** SAST, DAST, IAST, SCA, SIEM (Splunk, QRadar), Burp Suite, Nessus, OWASP ZAP, Nmap, Kali Linux, OpenVAS, AppScan, Acunetix, BlackDuck, Nikto, Sumo Logic
 - **DevSecOps:** GitHub, CI/CD Security Integration, Checkmarx, Burp Suite Automation
 - **Security Domains:** Incident Response, Cloud Security, Encryption Standards (AES, RSA), Compliance (ISO 27001, SOC 1, SOC 2, HIPAA, GDPR)
 - **Client Engagement:** Security Consultation, Compliance Management, Project Leadership, International RFPs
-

Professional Experience

Cyber Security Consultant *Central Business Solutions Inc. (Aviru IT Systems Pvt. Ltd.)* | Nov 2022 – Present

- Reduced false positives in vulnerability scans by 30% through tool integration.
- Led penetration testing projects for 15+ clients, uncovering 200+ critical vulnerabilities.
- Improved compliance audit scores by 20% through tailored security controls.
- Delivered consultation on Zero Trust implementation and DevSecOps workflows.
- Supported business development by assisting in international RFP filings and client acquisition, contributing to expansion into global markets.
- Collaborated with multiple international clients, ensuring tailored security solutions aligned with diverse compliance frameworks.
- Worked extensively on GRC initiatives, aligning client security programs with SOC 1, SOC 2, ISO 27001, and HIPAA compliance requirements.

- Partnered with audit teams to prepare documentation, remediate gaps, and ensure successful certification outcomes.
- Hands-on experience with enterprise-grade tools including HCL AppScan (SAST/DAST), BlackDuck (SCA), and Acunetix (web application security), integrated into client DevSecOps pipelines.

Cyber Security Analyst *Central Business Solutions Inc. (Aviru IT Systems Pvt. Ltd.)* | Nov 2020 – Oct 2022

- Conducted application security testing (SAST/DAST) and penetration testing across enterprise systems.
- Implemented security tools and strategies for clients, ensuring integration into workflows and improving overall security posture.
- Worked extensively with tools including Kali Linux, Nessus, Nmap, Burp Suite, Checkmarx, Nikto, OWASP ZAP, and Sumo Logic for vulnerability detection, code analysis, and log monitoring.
- Enhanced incident response by reducing log analysis time by 40% through automation and streamlined reporting.
- Supported VAPT projects ensuring ISO 27001 compliance and client readiness for audits.

Founder & Manager *Inspire Academy (Govt. Registered Startup)* | 2015 – 2017

- Built and managed a tuition company with 200+ enrolled students.
- Oversaw operations, marketing, and financial management.

Education

- **Ph.D. (Computer Science & Engineering, Cyber Security)**
– IIT Bhilai (2023–2028, Pursuing)
- **M.Tech (Cyber Forensics & Information Security, Honors)**
– CSVTU, Bhilai (2018–2021)
- **Diploma in Cyber Law**
– Govt. Law College, Mumbai (2018)
- **B.E. (Information Technology)**
– CSVTU, Bhilai (2014–2018)
- **12th (PCM)**
– CBSE, Krishna Public School, Raipur (2014)

Certifications

- Certified Ethical Hacking Expert Level 1.0 – Techdefence (2015)
 - Ethical Hacking & InfoSec Level 1.0 – Blue Banyan (2015)
 - Advanced Telecom & Cyber Security – ALTTC, BSNL Ghaziabad (2016)
 - Software Testing – Smartpath, Bhilai (2017)
 - Industrial Training – BSP, Bhilai (2017)
 - Certified Ethical Hacker (CEH v10, Master, Practical) – EC-Council (2020, 2022)
 - BlackDuck certified SCA Analyst – BlackDuck – Dec 2025
 - API Security Certified Associate – Wallarm – Feb 2026
-

Research Publications

- *DDOS Attacks & Mitigation Techniques in Cloud Computing* – GEDRAG & ORGANISATIE, 2020
 - *Survey on Web-based Operating System* – JETIR, 2019
 - *Survey on Cryptocurrency Technology* – IJAMTES, 2018
 - *Parts of Speech Tagging for Chhattisgarhi Language* – IJCRT, 2018
 - *Hindi to Chhattisgarhi Translator* – IJCRT, 2018
-

Leadership & Achievements

- Winner, Model Competition – INSPIRE DST Camp (2013)
 - Internship Camp – INSPIRE DST (2014)
 - Semi-finalist – IT Olympiad (2015)
 - NSS B & C Certificate Holder (2015–2018)
-
